#### 2021 Scope of Services

CJI will work at the ward-level by leveraging each community's knowledge of its own assets and needs. In each ward, one organization will work diligently to ensure that the residents of that ward receive training on their rights as a citizens and residents, specifically with respect to encountering law enforcement agencies and with respect to their rights under the law, if they have criminal records. This Know Your Rights campaign will be an on-going hallmark of the program. The organization will also provide referrals to additional types of legal counsel. Additionally, the organization will be able to act as a service navigator for this population by connecting them to services and resources provided by Cabrini Green Legal Aid, First Defense Legal Aid or Legal Aid Chicago which are three legal entities affiliated with the program.
